

Library Open 24/7 @library.csu.edu

Reference Services Temporarily Relocated

The **Reference Department** was among the areas impacted by the flood in the library building just prior to the start of the spring semester. The necessary repairs and renovation of the second floor are currently underway. That means the **second floor is closed** to library users **until further notice**. During this period, the library resources located on the second floor are inaccessible. That includes print reference books, government documents, print periodicals, and microfilm readers. Library amenities located on the second floor are also unavailable. That includes computers, group study rooms, individual study carrels, and other study areas.

Reference services have been **temporarily relocated** to the **first floor** of the library. The **Reference Desk** is located behind the staircase to the second floor. For research help and other assistance from a reference librarian, visit the Reference Desk between the hours of **10:00am and 4:00pm, Monday-Friday**. When the reference librarian on duty is away from the Reference Desk, please ask staff at the Circulation Desk to locate the librarian.
