Graphic Design for Social Impact in the Classroom

12:15 – 1:30 pm

By Yeohyun Ahn, Assistant Professor
Art Department, University of Wisconsin-Madison

Professor Ahn will discuss how to use graphic design projects to bring positive social impact to communities. As a former full-time lecturer in Art & Design at CSU from 2012 - 2014, her presentation will include former students' works from design, brand identity, design for multimedia, and portfolio preparation courses.
